

Apply Today for Dealer Opportunities

Introduction

Thank you for your interest in becoming a Dealer for Blue Ocean Construction Inc.

Blue Ocean Construction is a major service provider for 42 of Western Canada's Home Depot stores.

Contractors are selected based on their history of construction experience and qualification, and their willingness to comply with BOC and Home Depots requirements. If your company is selected, requirements include:

- Valid Business License
- Liability Insurance (copy requested at time of acceptance)
- WCB Insurance (copy requested at time of acceptance)
- Valid GST/CRA Number
- Be an established business with a history of residential construction
- Pass a Home Depot security clearance by Backcheck.net (\$99 + GST = \$103.95)

If your company can meet these requirements, please fill out the application form and send to racheal@blueoceanconstruction.com or faxed to 1-604-559-6932.

Additional Comments:

Questions:

Applicants will be required to provide proof of quality of work, as well as references of past completed projects.

Thank you for your interest in being part of the Blue Ocean Construction Inc. Dealer Program.

** Contractors are selected partially based on a supply and demand of BOC's and Home Depot's program requirements. Qualified applicants **will** be kept on file. Please do not apply more than once.
